Ursula,

Mick called me a short time ago and stated that he had spoken to you a while back after the last time he called me and said that you were OK with us providing him information. I just wanted to confirm and keep you in the loop that he made this request today. Let me know your thoughts.

Thanks,

Terry McElveen

Mr. McElveen:

Thank you, again, for your time and assistance.

This e-mail is per our phone conversation a few minutes ago: We would appreciate getting copies of any records that you have that document the use of the EPA's Repository in the Picher area by the Lead-Impacted Communities Relocation Assistance Trust and CWF Enterprises in March, April, May, June, and July 2011.

My contact information is below for your use. Please let me know if I can provide any additional information.

Sincerely,
Mick Dodson
